

United World Telecom Rates – US Dollars - Single Leg only

9 May 2004

To Calculate a Rate – Add the rates for the country that you are calling from and to eg South Africa to Australia = 0.16+0.04=US\$0.20/min.

Please Note - Rates apply 24 hrs and are the same regardless of the direction of call. Min call charge 30 sec thereafter calls charged per 6 sec segment.
